

Trailer • Truck • Accessories

## A COMPLETE MAINTENANCE SOLUTION FOR YOUR TRUCK AND TRAILER

JMR has partnered up with MercServ in Alrode to provide our customers with a comprehensive solution for their truck and trailer maintenance in and around Gauteng.

With this partnership, we can now service your truck and trailer simultaneously through the trailer expertise of our Alrode workshop and the truck proficiency of MercServ.

Both JMR and MercServ share a culture of quality workmanship at a price that is consistent with the value of your vehicle.

### THE BENEFITS OF THIS OFFER INCLUDE:

**Less Downtime**

**One phone call** for all your service and breakdown requirements for truck and trailers.

**One contact person** that coordinates your truck and trailer services.

**Insured for Faulty Workmanship.**

**Comprehensive range** of add-on services that includes:

- Engine Diagnosis, Repairs and Rebuilds.
- Gearbox and Diff Repairs.
- 24-hour Breakdown Assistance ( $\pm 150$ km radius).
- ABS/EBS Diagnostics and Installations.
- COF.

PE, a subsidiary of BPW, offers German quality replacement parts for European vehicles and is the preferred supplier of truck parts to JMR and MercServ. PE parts comes with a 2 year warranty on trucks and is fully backed and supported by BPW.

### More about JMR

JMR was established in 1995 in Alrode, Gauteng and has significantly grown over the past 24 years to ten branches and three trailer service centres across South Africa. JMR Alrode is a WABCO and BPW accredited Gold Partner as well as an AFRIT approved service provider. JMR maintains a service ethic and culture that is driven by passion, service excellence and expertise.

### More about MercServ

Mercserv Truck Repair Centre (Pty) Ltd was established in 2011, due to the rise of high demand within the transport industry for out of warranty requirements on Commercial Vehicles. As transporters themselves, they understand your business and their aim is to deliver quality workmanship at a fair price and to have your vehicle repaired with minimal downtime.
